.....

Dear Parents of a child preparing to receive Confirmation in 2012,

We ask parents of children who will receive the Sacrament of Confirmation during the 2011-2012 year to contribute \$25.00 per child toward the increasing costs incurred with preparation for sacraments.

These costs include: the purchase (or rental) of confirmation robes, retreat mornings, engaging speakers for each of the parents meetings / talks, etc.

Expenses continue to rise in every aspect of daily living. The costs incurred to maintain our parish programs are not exception

We ask parents to include a check for \$25.00 with the sacrament data forms which will be due in January 2012. The data forms will be given to parents in October.

We thank you for your understanding and support. Please call the PREP office if you have any questions.

Sincerely,

Mrs. Anne Hayes
